UI Smarter UX

Sustainability

Define Phone, Lead Bold

The all-new fashionable design, featuring **invisible hinge, slimmer body, larger color display, emergency button,** and **antimicrobial materials**, fits into your modern style.

Ultra-slim

Invisible Hinge

Camera/Bluetooth Handset

Line Keys/Red EMG Button

Clean Sound, Clear Calls

Empowered by **AI Noise Cancellation, optimized Acoustic Shield and 3W speaker**, T8X delivers upgraded **AI-powered** audio quality and volume.

AI Noise Cancellation

Acoustic Shield

3W speaker

Shield Strong, Stay Safe

Yealink T8 Series features **Three Rings of Security—Core Ring ensures device integrity** by preventing tampering and unauthorized access; **Shield Ring protects network connections** against intrusions and attacks; and **Guard Ring secures transmission** by protecting signaling, media, and user data in transit and at rest.
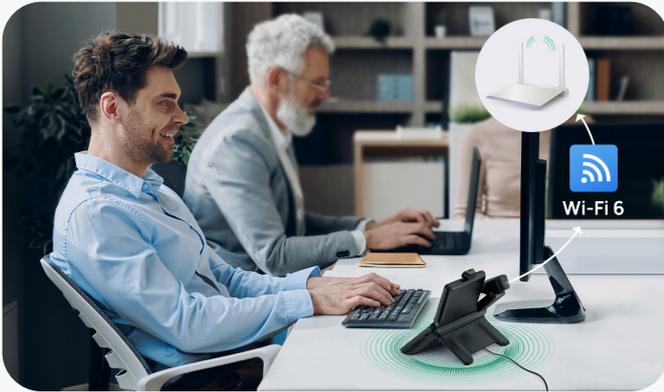

Core Ring: Device Integrity

Shield Ring: Network Protection
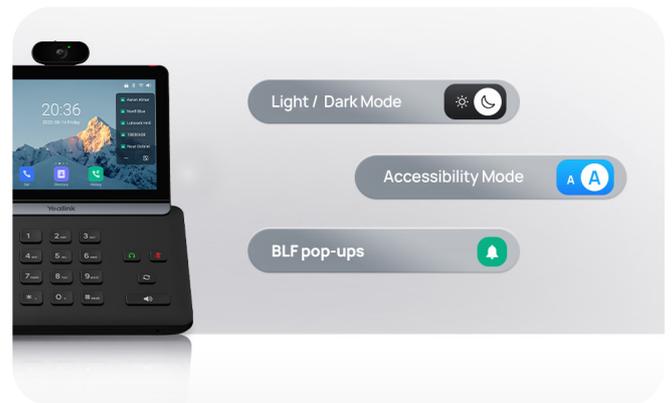

Guard Ring: Transmission Security

Connect Fast, Link Freely

The latest built-in **Wi-Fi 6** and **Bluetooth 5.0** provide more device coordination and flexible network connectivity.

Wi-Fi 6

Bluetooth 5.0

Smarter UX, Seamless Work

Streamlined UI makes easy access to more functionalities, like **BLF Floating, Accessibility Mode, Dark Theme.**

Light / Dark Mode

Accessibility Mode

BLF pop-ups

USB cable

One Device, Any Platforms

Device Mode enables seamless audio integration with **any UC platform**. Simply connect your desk phone to your laptop via a single USB-C cable —enjoy high-quality speaker and microphone performance instantly.

Immersive Video, Smooth Calls

The T88V Series supports HD video calls with a built-in 5MP camera, delivering up to 720p resolution. It also comes with a Bluetooth handset, allowing you to move freely while staying connected.

Talk Green, Think Future

Adoption of **PCR materials, green packaging** and **power-saving mode** to reduce plastic waste, carbon footprint for sustainability.
